### OVERVIEW

Imagine a side of Los Cabos you never knew existed, where the soul willingly surrenders to el sol. It's a fresh and vibrant approach to Los Cabos luxury—a singular beachfront retreat commanding a contour of the cape where every room and vantage point overlooks El Arco and the Bahia Cabo San Lucas horizon.

Intuitively interwoven within the natural landscape surrounding the Monuments Beach point break, The Cape is a place to revel in the heat of the moment. The clean, contemporary lines of visionary Mexico City architect Javier Sanchez converge in a relaxed 1960s Southern California-meets-Baja aesthetic at this luxury boutique hotel.
